

Digital Bridge

The Digital Bridge online portal will connect local businesses of East Austin with web designers, graphic designers, and others who are willing to assist these historic businesses in enhancing their online presence and digital marketing. We are currently recruiting designers who can commit to volunteering in the program.

Volunteers will contribute:

Media Services

Service in the areas of graphic design, web design, and specific marketing assistance.

Progress Checks

Volunteers will update business owners frequently, allowing them to track the progress of their services.

Direct Communication

Volunteers will communicate with business owners on a regular basis, responding in a timely manner.

Expertise

The ability to advise businesses and help them make informed decisions about their media.

Volunteers will receive:

Portfolio Work

Great portfolio work which can be used to bolster your resume.

Volunteer Hours

Hours validation for the time you spent volunteering.

Experience

Volunteers will receive real world experience, learning what it's like to work with an actual business.

Acknowledgement

Official credit on any website or design that you create, as well as immense appreciation from the business you aided.
